Ref:- From the PEO, Mangalore, Ref.C.No. 2923/54-C, dated 25.6.54.
Government's Memo.No. 1537/54-2, RDP XI dated 27-10-1954.
From the D.A. Madras, letter No.D.Dis.H934/54, dated 4-2-55.
From the PEO, Mangalore, Ref.C.No. 2933/54-C, dated 5.5.55

The PEO, Mangalore has originally requested the sanction for the purchase of several items of equipment required for demonstration purposes-vide pages 5-6 c.f. But he has now requested that only hand sprayers need be purchased and that it is not necessary to supply the other items in view of the fact that the Special Agrl. demonstrators are now in charge of the Agrl. Depots which are run from State funds. The PEO has therefore requested sanction for the purchase of only 30 hand sprayers in addition to the 30 sprayers already sanctioned in G.O. Ms.No. 2064, Agri. dated 22.6.55. He has stated that each of the 52 village guides in his project area has to be supplied with a hand sprayer to check pest diseases etc. in plants. He also wants eight more sprayers to be kept in reserve with the Special Agrl. Demonstrator to meet emergencies. He has therefore requested sanction for an amount of Rs. 4,300/- for purchasing 30 more hand sprayers. It is submitted that the D.A. who was already consulted in the matter has not objected to the purchase of these addl. sprayers in question. There is also ample budget provision under this head. In view of this, the sanction requested for may be accorded. Subject to orders a draft order below is submitted for approval.

The PEO has also stated that against the provision of Rs. 33,000/- in the approved

approved overall programme, an amount of Rs. 14,674/- is still available. He has suggested that the amount may be utilised for the purchase of a jeep with trailer for the use of the Agrl. staff for pest control and other Agrl. work in the C.P. areas, as the jeep with the DAO will not be available for use in C.P. areas.

It is submitted that jeeps ~~which~~ are supplied by the CPA for CDs and NES and that Therefore the ~~cannot be purchased locally from the~~ provision under Rupee expre[illegible] cannot be utilised for this purpose. Therefore it does not appear to be possible to utilise the unspent balance towards the purchase of a transport vehicle. It is also not clear why the jeeps with the DAO will not be available for use in the C.P. areas. There seems to be no objection to utilise the jeep of the DAO for such purposes to the extent possible. It is also submitted that whenever necessary, the jeeps available with the PEO may also be utilised for such purposes. In the above circumstances, the PEO may be informed that the Govt. do not consider it necessary to supply a jeep with trailer for the exclusive use of the Agrl. staff and that whenever necessary the jeeps available with him may be utilised for such purposes.

For orders.
